

Original:

1. Background-color: purple like the logo.

2. Capitalize, because all sections and subsections start lowercase.

And consistent font for table items.

3. Correct table column alignment.

4. Move items post and acct into right column and adjust downward.

The image shows a screenshot of the Craigslist Pittsburgh homepage with several annotations. Hand-drawn arrows and boxes highlight specific areas: the Craigslist logo, the 'post an ad' button, the event calendar, the 'help, faq, abuse, legal' link, the 'discussion forums' section, the 'for sale' section, the 'gigs' section, and the 'nearby cities' list. The page layout includes a header with the location 'pittsburgh', a search bar, and a grid of category links. The categories are: community, housing, jobs, services, for sale, gigs, and resumes. The 'discussion forums' section is a table with three columns. The 'for sale' section is a table with two columns. The 'gigs' section is a table with two columns. The 'nearby cities' list is on the right side of the page.
